Edward & Veronica Vos Scholarship Endowment

The criteria for awarding this scholarship is as follows:

- 1. Applicants must be graduating seniors attending the Albany Area High School.
- 2. Initiative, ability, a sense of purpose and commitment with a record of goal achievement shall be the basis for scholarship awards.
- 3. While GPA is a good measure of ability, it is no guarantee of future achievement. GPA should not be the sole determiner of the selection, but is a legitimate tiebreaker for otherwise close competition.
- 4. Scholarships may be used at any accredited public or private post-secondary educational institution and intended for the first year of enrollment.
- 5. Scholarship awards shall be paid out after the student completes one quarter or one semester at a post-secondary educational institution. The student must show evidence of completion and evidence of enrollment in the next quarter or semester. Each recipient will present these documents to the high school guidance counselor for payment. The student will have one year to redeem the scholarship.
- 6. The scholarship payment may be delayed for a period of up to five years in the case of voluntary enlistment or draft into the military service of the United States.

7 .	Two (2) \$3,	000 awards	shall be av	ailable per ann	ium.
