

Fred Peltz Memorial Rotochopper Scholarship

Rotochopper, Inc. of St. Martin is proud to sponsor the \$1,000 Fred Peltz Memorial Rotochopper Scholarship in honor of our founder, Fred Peltz, for a graduating senior from Albany High School. This scholarship will be awarded to one student who is enrolled in a welding, fluid power/hydraulics, mechatronics, or engineering program, at an accredited college, university, or vocational institute.

***Please include a 250-word essay, "Why did I choose this field of study?"

Name _____

Address _____

City _____ State _____ Zip Code _____

Phone Number _____ Parent's Name _____

GPA _____

College/Vocational School of Choice _____

Field of Study _____

Community/Extracurricular Involvement:

Hobbies or Special Interests:

Submit the typed essay and application form to the Albany Area High School Counseling Office by the designated deadline.

Selection will be determined by a scholarship committee comprised of school officials.

The recipient needs to show evidence of being a full-time student (at least 12 credits) during Fall Semester after graduation by presenting an OFFICIAL transcript with a minimum 2.0 GPA to Rotochopper, Inc. It must include evidence of registration for classes (at least 12 credits) during Spring Semester in order for the funds to be redeemed.
